

INTERNATIONAL FUTBOL X-CHANGE

HAVE YOU EVER DREAMED OF PLAYING WITH AN INTERNATIONAL CLUB? NOW IS YOUR CHANCE!

IFX Organization

International Fútbol X-Change is an international organization providing total immersion soccer programs in a variety of overseas destinations. Our programs enable competitive youth and adult soccer players the opportunity to play and compete with highly competitive foreign clubs.

Our programs include the Pro IFX for professionals, amateurs, and collegiate players; the Youth Year IFX, a high-school study abroad program combined with competition within a European youth team; and the Youth Summer IFX, a short-term total immersion program providing youths the experience of playing with a European club.

Pro Year International Fútbol X-Change

Our oldest program, the Pro International Fútbol X-Change, gives players over the age of 18 the opportunity to experience football and life in another country. IFX places each player individually among one of our partner foreign club teams to train and compete for either one full or one-half season.

Players undergo an initial evaluation period upon their arrival, while training with an IFX partner club, to determine at what level the player will compete for the season. The evaluation is conducted by the IFX partner club coaching staff and the IFX program manager. Upon placement, IFX manages each player's International Transfer Certificate, enabling full participation in official season matches.

Players are immersed in a foreign culture, possibly amidst a new language, with players from all corners of the globe. It is an unforgettable life experience, providing a new perspective on the different walks of life that all share a passion for the same beautiful game.

Destinations

IFX has multiple clubs in varying divisions in several international destinations including:

GERMANY
SPAIN
ARGENTINA

Travel, Accommodations, & Visas

IFX makes all flight arrangements and provides medical insurance for the program.

IFX arranges for the players' accommodations in a shared, private apartment which will include a kitchen and bathroom facility.

Players are responsible for obtaining a visa to travel to their destination country if required, and must qualify on their own merit, with supporting documentation provided by IFX for accepted players.

IFX PROGRAM AGREEMENT -- *Must be completed by Player and Parents*

International Futbol X-Change, LLC, its agents, affiliates, officers, directors, staff, regional and local representatives (collectively "IFX") and the undersigned parent(s) or legal guardian(s) ("Parents") and Player ("Player"), understand and agree to the terms and conditions stated in this Program Agreement ("Agreement") relating to Player's participation in IFX's International Fútbol X-Change Program ("Program"). Parents and Player are referred to collectively as the Participants ("Participants"). The soccer club in which the Player trains and competes for the program duration will be referred to as the "Host Club". The Player's Program whether taking place in the United States or abroad will be referred to as the Host Country ("Host Country").

A. Admission: IFX considers many criteria in determining whether to admit the Player into the Program including but not limited to a Player's application packet, academic background, age, education level, physical and mental health, references, and personal interview. All IFX Players must meet the selection standards as defined by Program requirements. IFX has the sole discretion to determine whether the Player will be admitted into the Program and such determination is final.

B. Placement: Players and Parents are prepared to accept the accommodation arrangement in which the Player is placed. Players agree to be liable for any damages inflicted to the property in which they live. The Player will make every effort to participate fully in the academic portion of this exchange program.

C. Soccer: Players and Parents are prepared to accept the club in which the Player is placed irrespective of the level, training calendar, and location. Players and Parents understand and accept that club placement may not be in the exact vicinity of their school and residence, and will be responsible to arrive at soccer training and games in a timely manner, and if necessary will take public transportation to do so at their expense. Players and Parents understand that playing time is determined at the sole discretion of the Host Club's coaches and that IFX has no control over Players' playing time with Host Club. The selection of the Host Club with which the Player will train and compete is at the sole discretion of IFX and is based upon the Player's experience, level of play, and evaluation during an initial assessment period. At the sole discretion of IFX, Player may be placed for an initial assessment period with any CLUB to determine their playing ability. Final placement will occur at the sole discretion of IFX based upon the objective assessment of IFX and the IFX partner clubs' coaching and management staff. Player acknowledges that he understands training methodology may differ drastically from what the Player has previously experienced including approach to fitness, tactics, intensity, etc. Player acknowledges that clubs typically train 3-5 days per week, but that more or less trainings per week is possible and permissible under this agreement. Player acknowledges that training conditions and facility conditions vary greatly between clubs and that IFX makes no guarantee as to the quality of these conditions. Player acknowledges the financial conditions and capacities of Host Clubs may vary greatly. IFX's obligations under this agreement to place Player with a club shall be deemed fulfilled upon written or verbal confirmation of Host Club to allow player to train and potentially compete with their club for the current season, with a term corresponding to the Player's program term. Competition in official games is subject to approval of Players player pass license. IFX 's obligation under this agreement shall in no way be misinterpreted as representation of the Player with the intent to place player with Host Club for purpose of employment.

If the Player shall become injured at any point during the program, Players and Parents understand that no portion of their program fee will be refunded. Players and Parents agree that the Player will be committed to competing within the club for the entire season, will follow the policies set forth by the club, and will not train nor compete with another club during the Program without the prior written consent of IFX. Player will be subject to follow standard regulations and procedures set forth by the soccer federation or association responsible in the Player's region, including any mandatory waiting periods after transfer between clubs during the season. Player's approval of registration to play within the foreign team is subject to the approval of the foreign club, regional association, national federation of the host team, and the national federation in the country where the Player was last registered. As a further condition of the Player's participation in the Program, the Player and Parents agree to indemnify and hold IFX harmless from any liability or expense associated with the denial of the Player's soccer registration in the host country for any reason, including but not limited to the Player's level of play and Art. 19 of the FIFA Regulations for the Status and Transfer of Players. Initials X X X

D. Program Fees: Parents agree that program fees will be paid to IFX according to the payment schedule, and understand that IFX will not allow Players to depart on program without receiving full payment of all program fees. Parents and Player have read and understand the IFX International Fútbol X-Change Cancellation & Refund Policy.

E. Living Expenses: Parents agree to provide the Player with a sufficient amount of spending money to cover food, transportation, personal expenses and incidentals during the Program.. IFX recommends US\$300-\$400 per month for most host countries. Players are expected to reimburse IFX for extraordinary expenses such as personal telephone calls, textbooks, school activity fees, or damages that may occur.

F. Dissimilarities or Differences in the Host Country: In addition to learning the language of the Host Country, the Player is expected to make every effort to adapt to the culture and lifestyle in the Host Country. There may be significant cultural, economic, and lifestyle differences between the Player's home country and Host Country including those in health care services, living conditions, transportation systems, educational systems, criminal justice, civil liberties, customs, values and acceptable behavior with regards to age and gender. Some Host Country differences may be relatively inferior or unreliable in comparison to the Player's home country while others may be superior. Participants must be aware of and accept these differences as part of the Program, and accept the risks associated with traveling and living in another country. The Player's level of maturity must be adequate to recognize and cope with these differences and challenges.

Parents must take responsibility to educate and prepare the Player for the inherent risks associated with foreign travel and living abroad. Program Representatives will regularly monitor the Player's progress and are available in person or by telephone to provide regular ongoing support and emergency assistance during the Program. However IFX cannot and does not provide constant direct supervision of the Player. The Player must be responsible for taking the initiative to communicate with IFX and seek help as soon as she/he needs assistance.

As a condition of acceptance into the Program, the Participants agree and hold IFX harmless for all injuries and/or damages incurred during the Player's participation in the Program resulting from any risks associated with participation in the soccer club, international travel and living abroad, and any negligence and/or intentional acts caused by any third party, including but not limited to any member, guest, employee or agent of the Host Family or other person in the Host Country.

G. Rules for IFX Players:

1. **Landlord Regulations:** Players must obey landlord regulations which will be provided to Player upon execution of the leased flat. Players must comply with all lease terms and conditions.
2. **Laws of the Land:** Players are subject to the authority and laws of their Host Country and must obey all national, state, and local laws and school regulations. Exchange Players enjoy no special immunities from prosecution. Participants agree to hold IFX blameless for any or all consequences that may result from the Player breaking the law of the land.
3. **Drugs:** The use of non-prescription drugs or controlled substances is illegal. Players may use only those drugs prescribed by their doctor (or patent medicines available over-the-counter in the Host Country). Use of illegal drugs during the IFX program is grounds for immediate dismissal. Exchange Players arrested for drug possession will face the same penalties as citizens of the Host Country including mandatory fines, prison terms or severe penalties.
4. **Driving:** Players may not drive motor vehicles during their program, even if they are in possession of a valid US driver's license.
5. **Life-Changing Decisions:** IFX Players may not initiate "life-changing" decisions while on the Program. This includes changing religion (though a Player may explore the tenets of any faith), pregnancy, and marriage. Because of the life-changing impact of these decisions it is better to wait until the experiences and attachments coming from an exchange in the Host Country can be viewed from the perspective of the Player's own culture. Players may also be dismissed from the Program if they develop a life threatening medical disorder such as anorexia or bulimia that cannot adequately be treated while on the Program.

Participants understand that while IFX reviews each Player's situation on a case-by-case basis, infraction of any of the above rules and/or unacceptable behavior may be grounds for dismissal from the IFX Program. IFX reserves the sole and final right for decisions on Player dismissals and may return a Player to their home country immediately at any time at their own expense.

H. Insurance: Participants agree to familiarize themselves with the coverage, exclusions and limitations of their insurance policy and to consult with their IFX representative and their insurance provider beforehand to determine what activities are excluded from coverage. Policies may not cover pre-existing conditions, injuries resulting from driving motorized vehicles, certain categories of sports injuries, injuries resulting from the commission of a crime, self-inflicted injuries, or injuries sustained from participation in high-risk (extreme) sports.

I. Health Care Treatment: IFX will normally consult with Parents before authorizing any medical care for a Player. However, a situation requiring immediate attention could conceivably occur. In such a case the Participants consent and authorize IFX or Host Club member to obtain without obligation, and at their discretion, any necessary medical, dental, surgical, psychological, psychiatric or hospital care, prescribed by a health care authority, for the immediate welfare of the Player. The Parents authorize the health care provider to release the Player to IFX, and to release all health care records relating to the Player to IFX.

J. Legal Proceeding: Participants consent and authorize IFX to pursue or defend any legal proceeding regarding the Player during the Program, costs to be reimbursed by Parent(s). However, IFX or any affiliate party is not obligated to pursue or defend any such legal action or proceedings. The Participants authorize any court, law enforcement agency, or any other government agency to release the Player to IFX in the event that the Player is detained or held by any such entity.

K. Use of Player's Name and Likeness: Participants consent and authorize IFX to use the Player's name, photograph, file or video likeness of Player or any comments or statements of Player in materials or publications to promote the Program.

L. End of Program: Players are expected to return to their home usually within two weeks after their Program end. Neither IFX staff nor the Host Club will be responsible for a Player who remains illegally in the Host Country after the end of the Program. A Player who ignores this regulation faces severe fines and penalties, which may include disbarment from future re-entry into the Host Country. In addition, a Player will not be covered by any insurance policy held by IFX after the Program end. Participants expressly release IFX, its' representative organizations, and the Host Family from all liability, injury, damages or claims incurred after the termination of the Program.

M. Problem Notification and Resolution: IFX provides ongoing support of all Players, however Players cannot be continually supervised or controlled by IFX. It is the responsibility of the Player to advise IFX of any significant problems, such as concerns about health, safety, adjustment problems with school, language or culture, or issues involving the accommodation and/or flat mates. IFX will make every effort to intervene and resolve these problems to help the Player successfully complete the Program. In this effort, IFX may, in its sole discretion, seek a new living arrangement. However, if the Player does not make a substantial good faith effort or if the Player violates any terms of this Agreement, IFX may, in its sole and absolute discretion, terminate the Player's participation in the Program and immediately repatriate the Player to the home country.

N. General Release and Hold Harmless Provisions: As a condition of Player's participation in the Program, the Participants agrees to release and hold IFX harmless for injury, loss, delay, or any damage and expense incurred by the Player due to: (i) any incident beyond IFX's reasonable control, including, without limitation, force majeure, crimes of violence, acts of war, or government actions and restrictions; (ii) any events directly or indirectly caused by intentional or negligent acts or omissions by any third party, including but not limited to any member, guest, employee or agent of the Host Club or any other persons in the host country; (iii) risks associated with foreign travel and living abroad, including but not limited to risks associated with health care, sanitation, transportation, crime, justice, legal systems, customs, and values; (iv) any differences in the living conditions and standards between Player's home and home country and the host home and Host Country. I (/we) Release, waive, discharge and covenant not to sue IFX, its officers, its affiliated clubs, regional sports organizations, their respective administrators, directors, agents, coaches, players, and others of the organization or volunteers, other participants, sponsoring agencies, sponsors, advertisers, and, if applicable, owners and the lessees of premises used to conduct the event, all of which are hereinafter referred to as "releasees" from any and all liability to the undersigned, his or her heirs and next of kin for any and all claims, demands, losses or damages on account of injury or damage to property, causes or alleged to be caused in whole or in part by the negligence of the releasee or otherwise, or for any denial of the Player's soccer registration in the host country for any reason, including but not limited to Art. 19 of the FIFA Regulations for the Status and Transfer of Players.

O. Indemnification: As a further condition of Player's participation in the Program, the Participants agree to indemnify and hold IFX harmless from any liability or expense, including court costs and attorney's fees, resulting from any injury, loss or any other damage or expense caused by the Player during his/her participation in the Program.

P. Arbitration and Venue: This agreement shall be deemed to have been made in the State of California, USA and its validity, construction, breach, performance and interpretation shall be governed by the laws of the State of California, USA. The parties to the Agreement acknowledge and agree that any dispute or claim arising out of this Agreement, any resulting or related transaction, or the relationship of the parties, shall be decided by neutral, exclusive and binding arbitration in San Francisco County, California, USA. The arbitration shall be conducted before JAMS/Endispute, Inc. Either party may appear telephonically at the arbitration hearing. The award of the arbitrator may be enforced in any court of competent jurisdiction located in the State of California, USA. In the event that the arbitration clause is deemed void or inapplicable, each party expressly consents to and submits to the personal jurisdiction of the federal or state court (s) of San Francisco County, California, USA. In any action, including arbitration, brought for breach of this Agreement, the prevailing party shall be entitled to recover reasonable attorney's fees and costs, including, but not limited to, the costs of arbitration.

Q. Ratification of Contract: In the event the Player is under the age of 18 at the time of execution of this Agreement, and the Player attains 18 years of age while participating in the Program, the Player agrees that continued participation in the Program after he/she attains 18 is deemed a ratification and adoption of all the terms and conditions of this Agreement.

R. IFX Program Agreement Controls: Where there are any differences between this Agreement and any other program materials, the Agreement shall control. IFX cannot be legally bound or committed by any person other than a duly authorized representative. Parties are required to follow this Agreement and cannot vary from its terms.

S. Modification: This Agreement shall not be modified except by a writing that is executed by all parties hereto.

T. Severability: In the event any clause, sentence, term or provision of this Agreement shall be held by any court of competent jurisdiction to be illegal, invalid or unenforceable for any reason, the remaining portions of this Agreement shall remain in full force and effect.
